

Anastasia Stepuk

Intern Frontend Developer

 yuyuu-8 |  nastyastepuk05@gmail.com |  yuyuu_8

SUMMARY

I'm a beginner Frontend Developer from Belarus, Minsk. I have some experience in Backend Development and Design. Driven by a passion for elegant design solutions and a commitment to continuous improvement, I seek a role that fosters creativity and professional growth. I aim to bring clarity and innovation to every project. In the process of work I learn quickly and have a great desire for professional growth.
